Re: FY2022- 6JSCE Stationary Thompson bypass Pump

Attn: John

Thank you for your interest in Thompson Pump & Manufacturing and the products and the services that we provide. We understand that this pump will be utilized by the Town of Longboat Key as a permanent by-pass pumping application at the Lift Station "E", 3700 Gulf of Mexico Dr. location, located in the Town of Longboat Key FL, 34228. Please see attached specification sheet for performance capabilities.

LS	LS address	Thompson Pump model	Duty Point	Suction Lift
E	3700 Gulf of Mex. Dr.	6JSCE-DJDS-45-ZC	2000gpm@40ft	20'

Per your request, we are providing 2022 Florida Sheriffs Association Contract Package Specification pricing for (1) Thompson Pump Model: 6JSCE-DJDS-45T-ZC an 6", solids handling, ESTAT diesel engine, skid mounted bypass pump coupled with Thompson's innovative priming system preventing blow-by of sewage, effluent and waste from discharging onto the ground.

The net price is derived from our 2022 Florida Sheriffs Association Contract Bid Award #FSA20-VEH18.0-Heavy Equipment, Item 276, TERM#2. This Florida based government contract enables the Town of Longboat Key to avoid the hassle and expense of purchasing this pump through the public bid process. The FSA contract basically works like a "piggy back" for our equipment. You can order this unit by simply putting our FSA bid award number on your purchase order. Our FSA contract number is: **FSA20-VEH18.0-Heavy Equipment, Item 276, TERM#2. Please be sure to place the FSA contract number on your purchase order. Please include your EIN #.**

Should you require further information or have any questions, please contact me at 407-473-2002 or [tguerra@thompsonpump.com](mailto:tguerra@thompsonpump.com).

Sincerely,

*Terry Guerra*
