Hi - We live at 602 Buttonwood Drive, see below. I was not able to get to our neighborhood until 8am on Monday Aug 5th. The water on Buttonwood was approx 18" deep at that time. The attached photos are from 9AM on Monday Aug 5th after some water had receded.

1. How deep was the water in your house? No water in the house
2. How deep was it in your garage? Approx 3"
3. How long was water over the road in front of your driveway? The water receded from our driveway by Monday Aug 5th night, but water remained in the road until Tuesday Aug 6th.
4. If you used sandbags or a flood barrier, and water did not enter the house, how high was the water above the level of your floors? N/A
5. If water did not enter the house or garage, how close did it get, and how deep was it in the yard at the deepest point?

Thank you

Good afternoon Lorenzo,

The Town is once again trying to gather information regarding the flooding seen in Buttonwood. Could you please pass this on to the members of your HOA:

Dear Neighbors,

We hope this message finds you safe and well. The Town is currently gathering information related to flood damages from Hurricane Debby as part of our grant application efforts. If you were affected, we strongly urge you to share your experience with us. Without your documentation, critical projects to reduce future flooding on your street may not be possible.

Please assist us by answering the following questions:

1. How deep was the water in your house?
2. How deep was it in your garage?
3. How long was water over the road in front of your driveway?
4. If you used sandbags or a flood barrier, and water did not enter the house, how high was the water above the level of your floors?
5. If water did not enter the house or garage, how close did it get, and how deep was it in the yard at the deepest point?

Please send your responses, along with any supporting photos or documents, to Charlie Mopps at [cmopps@longboatkey.org](mailto:cmopps@longboatkey.org) and Kalee Shaberts at [kshaberts@longboatkey.org](mailto:kshaberts@longboatkey.org) by 8/30/2024.
