Here are answers to the questions:

1. How deep was the water in your house?
We had about one inch along one wall that seeped through the flood barrier
2. How deep was it in your garage?
Around 2-3 inches
3. How long was water over the road in front of your driveway?
3 days
4. If you used sandbags or a flood barrier, and water did not enter the house, how high was the water above the level of your floors?
4-5 inches
5. If water did not enter the house or garage, how close did it get, and how deep was it in the yard at the deepest point?
It entered both
