Sections 212.054-.055, Florida Statutes

Summary:

Nine separate local discretionary sales surtaxes, also known as *local option sales taxes*, are currently authorized in law and represent potential revenue sources for county governments generally. With particular surtax levies, municipal governments and school districts may receive all or some of the revenue proceeds. The local discretionary sales surtaxes apply to all transactions subject to the state tax imposed on sales, use, services, rentals, admissions, and other authorized transactions authorized pursuant to ch. 212, F.S., and communications services as defined for purposes of ch. 202, F.S.²

The total potential surtax rate varies from county to county depending on the particular surtaxes that can be levied in that jurisdiction. Discretionary sales surtax must be collected when the transaction occurs in, or delivery is into, a county that imposes the surtax, and the sale is subject to state's sales and use tax. The following table summarizes when a transaction is subject to the surtax.

If a selling dealer located in any Florida county	with a discretionary surtax	sells and delivers	into the county where the selling vendor is located	surtax is collected at the county rate where the delivery is made.	
If a selling dealer located in any Florida county	with or without a discretionary surtax	sells and delivers	into counties with different discretionary surtax rates	surtax is collected at the county rate where the delivery is made.	
If a selling dealer located in any Florida county	located in any discretionary		into counties without a discretionary surtax	surtax is not collected.	
If an out-of-stat	e selling dealer	sells and delivers	into a Florida county with a discretionary surtax	surtax is collected at the county rate where delivery is made.	
If an out-of-sta	te selling dealer	sells and delivers	into a Florida county without a discretionary surtax	surtax is not collected.	

Discretionary sales surtax applies to the first \$5,000 of any single taxable item, when sold to the same purchaser at the same time. Single items include items normally sold in bulk and items assembled to comprise a working unit. The \$5,000 limitation does not apply to the rental of commercial real property, transient rentals, or services. With regard to the sale of motor vehicles, mobile homes, boats, or aircraft, the surtax applies only to the first \$5,000 of the total sales price. On the sale of a motor vehicle or mobile home, the tax rate is determined by the county where the purchaser resides as shown on the title or registration. On the sale of a boat or aircraft, the tax rate is determined by the county where the boat or aircraft is delivered.

2. Section 212.054(2), F.S.

^{1.} Section 212.055, F.S.

The local discretionary sales surtax applies to communications services as broadly defined in ch. 202, F.S. Because the new communications services tax base is much larger than the base under prior law, discretionary sales surtax conversion rates are specified in law. For any county or school board that levies the surtax, the tax rate on communications services as authorized by s. 202.19(5), F.S., is expressed in law.³

During the 2020-21 local fiscal year, the 60 county governments and 26 school districts levying one or more local discretionary sales surtaxes will realize an estimated \$3.88 billion in revenue. The 66 county governments and 41 school districts not currently levying all possible local discretionary sales surtaxes at the maximum possible rates will allow an estimated \$8.38 billion to go unrealized. Among county governments, only Madison County currently levies its maximum potential tax rate.

General Law Amendments:

There were no general law amendments pertaining to the general administration of these taxes resulting from the 2020 Regular Legislative Session. It is not unusual for legislation to pass that results in changes to the state's sales tax base or sales tax administration. Such changes have the potential for fiscal impact, either positively or negatively, to the amount of sales tax revenues collected by local governments. However, a summary of such changes is not provided here.

Administrative Procedures:

Legislation enacted in 2018 required the completion of a performance audit prior to any referendum to adopt a local discretionary sales surtax held on or after March 23, 2018.⁴ Legislation enacted in 2019 amended that requirement.⁵ For any surtax referendum held on or after January 1, 2020, an independent certified public accountant (CPA), licensed pursuant to Chapter 473, F.S., must conduct a performance audit of the program associated with the proposed surtax. At least 180 days prior to the referendum date, the county or school district must provide the Florida Legislature's Office of Program Policy Analysis and Government Accountability (OPPAGA) with a copy of the final resolution or ordinance. Within 60 days after receiving the final resolution or ordinance, OPPAGA must procure the CPA and may use carryforward funds to pay for the CPA's services. The performance audit must be completed at least 60 days before the referendum is held. The audit report, including any findings, recommendations, or other accompanying documents, must be made available on the county or school district's official website and kept on the website for two years from the date posted. A county or school district's failure to comply with the requirements of providing OPPAGA with a copy of the final resolution or ordinance at least 180 days prior to the referendum date, or publishing the performance audit results on its website at least 60 days before the referendum date, will render the referendum void.

The term *performance audit* means an examination of the program conducted according to applicable government auditing standards or auditing and evaluation standards of other appropriate authoritative bodies. At a minimum, a performance audit must address the following issues.

- 1. The economy, efficiency, or effectiveness of the program.
- 2. The program's structure or design to accomplish its goals and objectives.
- 3. Alternative methods of providing program services or products.

^{3.} Section 202.20(3), F.S.

^{4.} Chapter 2018-118, L.O.F.

^{5.} Chapter 2019-64, L.O.F.

- 4. Goals, objectives, and performance measures used by the program to monitor and report program accomplishments.
- 5. The accuracy or adequacy of public documents, reports, and requests prepared by the county or school district that relate to the program.
- 6. The program's compliance with appropriate policies, rules, and laws.

The administrative procedures relevant to local discretionary sales surtaxes are outlined in s. 212.054, F.S. The Department of Revenue (DOR) administers, collects, and enforces the surtaxes.⁶ The governing body of any county levying a local discretionary sales surtax enacts an ordinance levying the surtax in accordance with the procedures described in s. 125.66(2), F.S.⁷ Current law requires that any initial levy or rate change can only take effect on January 1st, and any levy termination can only take effect on December 31st.⁸

The proceeds of each county's discretionary sales surtax collections are transferred to the Discretionary Sales Surtax Clearing Trust Fund [hereinafter, the Trust Fund]. A separate account in the Trust Fund is established for each county imposing the surtax. The DOR is authorized to take an administrative cost deduction not to exceed 3 percent of the total surtax revenue generated by all levying counties. The administrative cost deduction is used only for those costs solely and directly attributable to the surtax, and the costs are prorated among those counties levying the surtax on the basis of the amount collected for a particular county to the total amount collected for all counties.⁹

Reporting Requirements:

The governing body of any county or school board that levies the surtax must notify the DOR within 10 days after the final adoption by ordinance or referendum of an imposition, termination, or rate change. The DOR must receive this notice no later than November 16th prior to the January 1st effective date. The notice must specify the rate as well as the time period during which the surtax will be in effect and include a copy of the ordinance and other information required by departmental rule. Failure to timely provide this notification to the DOR results in the delay of the effective date for a period of one year.¹⁰

Additionally, the governing body of any county or school board proposing a surtax levy must notify the DOR by October 1st if the referendum or consideration of the ordinance that would result in a surtax imposition, termination, or rate change is scheduled to occur on or after October 1st of that year. Failure to timely provide this notification to the DOR results in the delay of the effective date for a period of one year.¹¹

Distribution of Proceeds:

After the distribution of monthly proceeds under s. 212.054(4)(b), F.S., DOR distributes the remaining funds using a distribution factor determined for each levying county that is multiplied by the total amount available for distribution. The county's distribution factor equals the product of the county's latest official population, pursuant to s. 186.901, F.S.; the county's surtax rate; and the number of months the county has levied the surtax during the most recent quarterly distribution period divided by the sum of all such products of the counties levying the surtax during the most recent quarterly distribution period. The DOR computes

^{11.} Section 212.054(7)(b), F.S.

distribution factors for eligible counties once each quarter and makes appropriate quarterly distributions. A county that fails to timely provide information waives its rights to challenge the DOR's determination of the county's share of the out-of-state and non-discretionary county revenues.¹²

Attorney General Opinions:

Florida's Attorney General has issued the following legal opinion relevant to this revenue source.

Opinion # Subject

2019-10 Audit exemption to extend discretionary sales surtax

The full texts of these opinions are available via a searchable on-line database. ¹³ Local government officials seeking more clarification should review the opinions in their entirety. The reader should keep the date of the opinion in mind when reviewing its relevance to current law or any interpretations that have been articulated in Florida case law.

Tax Rates and Current Year's Revenues:

The tables that follow are designed to aid counties in estimating how much revenue will be or could be generated from a surtax levy. The first table provides a historical summary of surtax impositions, expirations, extensions, rate changes, and repeals based on information obtained from the DOR. ¹⁴ The second table illustrates the counties eligible to levy the various local discretionary sales surtaxes and the 2021 tax rates. The third table provides estimates of the revenue amounts that counties, municipalities, and school districts may expect to receive under a 1 percent levy during the local fiscal year ending 2021. The fourth table provides countywide estimates of realized and unrealized revenues during the local fiscal year ending 2021.

Additional Detail:

Additional information regarding each of the nine individual authorizations to levy can be found in the sections immediately following the four tables previously discussed. Other information relevant to local discretionary sales surtaxes can be found via the Internet. A general description of the local discretionary sales surtax can be found on the DOR's website. Historical local option sales tax receipts and distributions to counties compiled from DOR source data can be found on the EDR's website. Local option sales tax collections and distributions data by fiscal year and by month can be found on the DOR's website.

Notes:

- 1) Boxed areas indicate those counties eligible to impose particular surtaxes authorized for county governments or school districts eligible to impose the School Capital Outlay Surtax.
- 2) The Indigent Care and Trauma Center Surtax consists of two separate levies for different groups of eligible counties. Non-consolidated counties with a total population of 800,000 or more may impose, either by an extraordinary vote of the county's governing body or voter approval in a countywide referendum, a surtax not to exceed 0.5% for the purpose of funding health care services for qualified residents. Non-consolidated counties with a total population of less than 800,000 may impose, subject to voter approval in a countywide referendum, a surtax not to exceed 0.25% for the sole purpose of funding trauma services provided by a trauma center licensed pursuant to Chapter 395. Florida Statutes.
- 3) Pursuant to ss. 212.055(2)(h) and 212.055(3)(f), F.S., a county cannot levy the Local Government Infrastructure, Small County, Indigent Care and Trauma Center, and County Public Hospital surtaxes in excess of a combined rate of 1%.
- 4) Pursuant to s. 212.055(4)(b)5., F.S., a county cannot levy the Local Government Infrastructure, Small County, and Indigent Care and Trauma Center surtaxes in excess of a combined rate of 1%.
- 5) Pursuant to s. 212.055(5)(f), F.S., a county cannot levy the Local Government Infrastructure, Small County, and County Public Hospital surtaxes in excess of a combined rate of 1%.
- 6) Subject to referendum approval, the Voter-Approved Indigent Care Surtax may be levied by counties with less than 80,000 residents at a rate not to exceed 0.5%. However, if a publicly supported medical school is located within the qualifying county, the rate cannot exceed 1.6%. Lorenty, Florida has publicly supported medical schools at the following university of Florida International University of South Florida in Hillsborrough County. The Florida International University of Central Florida, and University of South Florida medical schools are each located in counties having a resident population greater than 800,000; therefore, Hillsborrough, Miami-Dade, and Orange counties are not eligible to levy the surtax. Only Alachua and Leon counties could levy the surtax at the maximum 1% rate. Additionally, the governing body of any county that has a population of less than 50,000 residents may levy the surtax, at a rate not to exceed 1%, subject to voter approval in countywide referendum pursuant to Chapter 2005-242, Laws of Florida. Consequently, if a publicly supported medical school is located in the county, or the county has a population of less than 50,000 residents, the combined tax rate of this levy and any Local Government Infrastructure Surtax and Small County Surtax levies cannot exceed 1.5% pursuant to s. 212.055(7)(f), F.S. For all other counties eligible to levy this surtax, the combined tax rate cannot exceed 1%.
- 7) Effective July 1, 2009, Chapter 2009-146, L.O.F., renamed the Charter County Transit System Surtax as the Charter County Transportation System Surtax and extended eligibility for surtax levy to 13 additional charter counties.
- 8) Effective July 1, 2010, Chapter 2010-225, L.O.F., renamed the Charter County Transportation System Surtax as the Charter County and Regional Transportation System Surtax and extended eligibility for surtax levy to each county that is within or under an interlocal agreement with a regional transportation or transit authority created under Chapters 343 or 349, Florida Statutes (i.e., South Florida Regional Transportation Authority, Northwest Florida Transportation Corridor Authority, Tampa Bay Area Regional Transit Authority, and Jacksonville Transportation Authority). As a result of the legislation, seven counties within the Northwest Florida Transportation Corridor Authority (i.e., Bay, Escambia, Franklin, Gulf, Okaloosa, Santa Rosa, and Walton) and three counties of the Tampa Bay Area Regional Transit Authority (i.e., Hernando, Manatee, and Pasco) are elicible to levy this surtax.
- 9) Effective July 1, 2009, Chapter 2009-182, L.O.F., created the Emergency Fire Rescue Services and Facilities Surtax. A county's governing body, other than a county that has imposed two separate discretionary surtaxes without expiration, may levy this surtax at a rate of up to 1%, subject to voter approval in a countywide referendum. Madison and Miami-Dade counties are not eligible to levy this surtax since each county has imposed two separate discretionary surtaxes without expiration. The remaining 65 counties are eligible to levy this surtax. However, if Orange or Osceola impose the surtax, neither county can levy the surtax within the boundaries of the Reedy Creek Improvement District pursuant to s. 212.055(8)(j), F.S.
- 10) Since both the Charter County and Regional Transportation System Surtax and Emergency Fire Rescue Services and Facilities Surtax are not subject to any tax rate limitations, the maximum potential tax rates for nearly all county governments have increased since July 7.009. For Madison and Miami-Dade counties, the maximum potential tax rate idn not change. For 24 counties (i.e., Alachua, Bay, Brevard, Charlotte, Citrus, Clay, Columbia, Escambia, Franklin, Gulf, Hernando, Lee, Leon, Manatee, Okaloosa, Orange, Osceola, Palm Beach, Pasco, Polk, Santa Rya, 2009. Wakulla, and Walton), the maximum potential tax rate increased by 2%. For all other counties, the maximum potential tax rate increased by 1%. Currently, Alachua, Franklin, Gulf, Leon, and Wakulla counties have the highest maximum potential tax rate for county government levies at 3.5%.
- 11) Effective July 1, 2016, Chapter 2016-146, L.O.F., created the Pension Liability Surtax and specified that a county considering a Pension Liability Surtax levy must currently levy the Local Government Infrastructure Surtax, which is scheduled to terminate and is not subject to renewal. Additionally, the legislation created a number of preconditions that must be satisfied prior to a Pension Liability Surtax levy and specified that a county may not levy this surtax as well as the Local Government Infrastructure Surtax, Small County Surtax, Indigent Care and Trauma Center Surtax, and County Public Hospital Surtax, in excess of a combined rate of 1%.
- 12) New surtax levies for 2021: Clay, Duval, and Okaloosa counties will levy the School Capital Outlay Surtax. Holmes County will levy the Voter-Approved Indigent Care Surtax.
- 13) The following levies expired or were extended. Effective December 31, 2020, the School Capital Outlay Surtax levy in Liberty County expired. The Local Government Infrastructure Surtax levy in Charlotte County, which was scheduled to expire on December 31, 2020, was extended until December 31, 2024. The Emergency Fire Rescue Services and Facilities Surtax levy in Liberty County, which was scheduled to expire on December 31, 2021. The Emergency Fire Rescue Services and Facilities Surtax levy in Liberty County, which was scheduled to expire on December 31, 2024. The Emergency Fire Rescue Services and Facilities Surtax levy in Liberty County, which was scheduled to expire on December 31, 2026.

Revenue Estimates for the Local Fiscal Year Ending September 30, 2021 #### Refer to the Table Notes for Instructions on Using These Estimates ####

	1% Tax Rate - I	Default Formula	1% Tax Rate - Interlocal Agreement					
	Distribution	Estimated	Distribution	Estimated				
Local Government	Percentage	Distribution	Percentage	Distribution				

Notes:

- 1) This table is designed to provide local governments with an estimate of possible revenues from the hypothetical imposition of a 1% local option sales surtax. Currently, there are nine statutorily-authorized local option sales surtaxes: the Charter County and Regional Transportation System Surtax, the Local Government Infrastructure Surtax, the Small County Surtax, the Indigent Care and Trauma Center Surtax, the County Public Hospital Surtax, the School Capital Outlay Surtax, the Voter-Approved Indigent Care Surtax, the Emergency Fire Rescue Services and Facilities Surtax, and the Pension Liability Surtax. Of the nine, only three surtaxes, the Local Government Infrastructure Surtax, the Small County Surtax, and the Emergency Fire Rescue Services and Facilities Surtax, require the proceeds to be shared with municipalities.
- 2) Of the nine statutorily-authorized surtaxes, the two most utilized surtaxes are the Local Government Infrastructure Surtax with 28 counties levying and the Small County Surtax with 29 counties levying. Both the Local Government Infrastructure Surtax and Small County Surtax require the proceeds to be shared with municipalities, either by interlocal agreement or by default formula methodology (i.e., Local Government Half-cent Sales Tax Program formula). This table lists the estimated distributions to individual local governments assuming a 1% levy of either the Local Government Infrastructure Surtax or Small County Surtax.
- 3) The distribution percentages and estimated distributions listed under the heading "1% Tax Rate Default Formula" reflect the use of the default formula methodology. Estimated distributions are provided for every jurisdiction even though some counties do not currently impose a local discretionary sales surtax. For those counties that currently do not levy a surtax, these estimated distributions can assist local officials considering a future levy.
- 4) For those jurisdictions where the distribution of local discretionary sales surtax proceeds is governed by an interlocal agreement, the distribution percentages per the agreement as well as the estimated distributions are listed in the column labeled "1% Tax Rate Interlocal Agreement". The amounts and percentages are presented in the fashion that the interlocal agreement directs the Department of Revenue to distribute the proceeds. The percentages used are those that the Department understands will be in effect for the 2020-21 local fiscal year.
- 5) If a county imposes a surtax that does not require the proceeds to be shared (i.e., Charter County and Regional Transportation System Surtax, Indigent Care and Trauma Center Surtax, County Public Hospital Surtax, School Capital Outlay Surtax, and Voter-Approved Indigent Care Surtax), then county or school district officials should refer to the estimated countywide total. If the imposed surtax is levied at a rate other than 1%, then the estimated countywide total should be adjusted accordingly (e.g., multiplying the countywide total by 0.5 for a School Capital Outlay Surtax levy).
- 6) If the reader is uncertain which surtax(es) is/are imposed in a particular county, please refer to the EDR table entitled "2020 Local Discretionary Sales Surtax Rates in Florida's Counties".
- 7) Revenue estimates published in this table are based on the \$5,000 cap on transactions, and the dollar figures represent a 100 percent distribution of estimated monies.

Data Sources

- 1) Office of Economic and Demographic Research, Table: 2021 Local Discretionary Sales Surtax Rates in Florida's Counties.
- 2) Office of Economic and Demographic Research, Table: Local Discretionary Sales Surtax Revenue Estimates for the Local Fiscal Year Ending September 30, 2021.

¹⁾ Pursuant to law, no initial levy, rate increase, or rate decrease takes effect on a date other than January 1st, and no levy terminates on a day other than December 31st. The governing body of any county or school board that levies a surtax must notify the Florida Department of Revenue within 10 days after the final adoption by ordinance or referendum of an imposition, termination, or rate change. For the 2021 calendar year, the Department must receive notice no later than November 16, 2020, prior to the January 1, 2021 effective date.

²⁾ A county's unutilized tax rate is determined by subtracting its 2021 tax rate from its maximum potential tax rate.

³⁾ Effective December 31, 2020, the School Capital Outlay Surtax levy in Liberty County expired.

⁴⁾ New surtax levies for 2021: Clay, Duval, and Okaloosa counties will levy the School Capital Outlay Surtax. Holmes County will levy the Voter-Approved Indigent Care Surtax.
